PART NO. OMW0408I

LIMITED WARRANTY

CHEVRON, INC., ("Chevron"), warrants to the original purchaser that each new Chevron product will be free from defects in material and workmanship for a period of twelve (12) months from date placed in service. The purchaser must promptly notify Chevron in writing of any failure in material or workmanship. In no event shall Chevron accept such notification later than twelve (12) months from date placed in service.

Chevron's obligation under this warranty, statutory or otherwise, is limited to the repair or replacement at the Chevron factory, or at a point designated by Chevron, of such part or parts as shall appear upon inspection by Chevron to be defective in material or workmanship. New or remanufactured parts will be used for any replacement at Chevron's option. This warranty is not transferable. This warranty does not obligate Chevron to bear the cost of labor or transportation charges in connection with the repair or replacement of any parts found to be defective, nor shall it apply to a product upon which repairs or alterations have been made unless authorized by Chevron.

EXCEPT AS EXPRESSLY SET FORTH IN THIS WARRANTY, CHEVRON MAKES NO OTHER WARRANTY, EXPRESS OR IMPLIED, AND HEREBY DISCLAIMS ALL OTHER WARRANTIES INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. Chevron shall in no event be liable for claimed downtime, claimed loss of profits or good will, or any other special, incidental, indirect, or consequential damages concerning or relating to any product or parts, whether based on negligence, strict liability, breach of contract, breach of warranty, misrepresentation or any other legal theory, regardless of whether the loss resulted from any general or particular requirement which Chevron knew or had reason to know about at the time of sale.

CHEVRON MAKES NO WARRANTY, EXPRESS OR IMPLIED, AS TO THE FINISHED PRODUCTS MANUFACTURED OR SUPPLIED BY ANOTHER MANUFACTURER AND SUPPLIED BY CHEVRON TO PURCHASER, including, but not limited to, any vehicle to which a Chevron product may be affixed or any accessories or wire rope, and CHEVRON EXPRESSLY DISCLAIMS ANY IMPLIED WARRANTIES OR MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE AS TO SUCH EQUIPMENT OR PRODUCTS. This language shall in no way affect or diminish the rights of the purchaser to rely on such warranties as are extended by such manufacturers or suppliers. Chevron shall, to the extent permitted under applicable law, pass on to the purchaser such manufacturer's or seller's warranty.

Chevron, whose policy is one of continuous improvement, reserves the right to improve its products through changes in design or materials as it may deem desirable without being obligated to incorporate such changes in products previously sold. This warranty is not intended to cover or include the following items, which are set forth by way of example and not limitation:

- A. Normal deterioration of trim, paint, lettering, and appearance items due to wear or exposure to weather, road conditions, road treatments, etc.
- B. Any damage or defect due to accident, misuse, abuse, operation exceeding rated loads, improper or unauthorized repairs, failure to provide reasonable and necessary maintenance, or uses of which the equipment was not designed or intended.
- C. Alterations or modifications that affect performance, operations or reliability.
- D. Normal maintenance parts including, but not limited to, wear pads, bushings, wire rope, mudflaps, fenderettes, light bulbs, hydraulic oil, filters, and tow sling belts.

IT IS EXPRESSLY UNDERSTOOD THAT CHEVRON MAKES NO IMPLIED WARRANTY THAT CHEVRON PRODUCTS SHALL BE FIT FOR THE PURPOSE OF LIFTING OR MOVING PEOPLE OR FOR ANY OTHER IMPROPER USE.
