

Greenville: Water Handout Tues & Wed at Plant 2

We still have water that we would like to distribute to employees.

If you would like to pick some up, we will be distributing it in the same way we did before.

Blue Team can pick up on Tuesday from 4:30 – 5pm.

White Team can pick up on Wednesday from 4:30 – 5pm.

Employees can drive their car through the plant to get the water loaded.

You will follow the orange cones thru the gravel lot. **Please do not block the roadway.** You will then proceed through the plant as directed.

Please see the attached map for the entry and exit point.
