

Looking for a health care provider? Here's how ...

An important consideration when selecting a health insurance plan is whether your doctor is part of the plan's network. Remember, as a member of UPMC Health Plan, you and your family always have full, in-network access to UPMC.

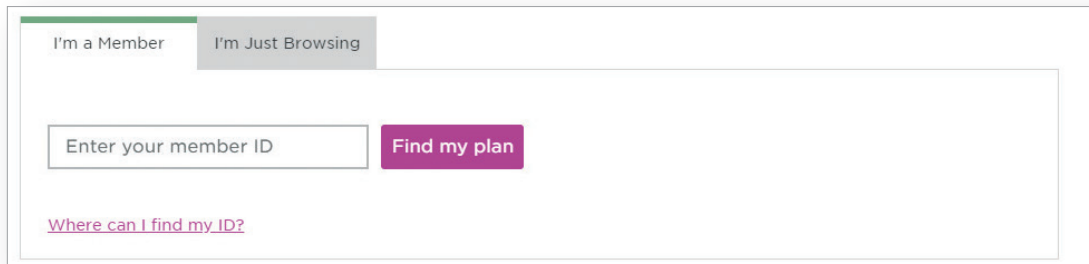

And when you become a member of UPMC Health Plan, you can save money when you choose participating providers.

**Follow the easy step-by-step
directions on the reverse side.**

UPMC HEALTH PLAN

To see if your doctor, dentist, vision care provider, behavioral health provider, or pharmacy is part of our network, use the directory search tool at **www.upmchealthplan.com/find** and then follow these easy steps:

1. **Choose your search path.** Are you a UPMC Health Plan member? Click the **I'm a Member** tab to identify your plan and see results in your network. Want to search all our networks? Click the **I'm Just Browsing** tab.

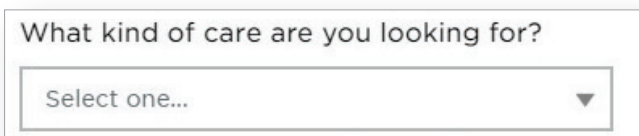

I'm a Member I'm Just Browsing

Enter your member ID Find my plan

[Where can I find my ID?](#)

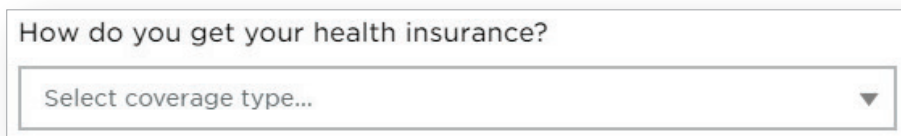

2. **Select the type of care: Medical, Behavioral Health, Dental, Vision, Home- & Community-Based Services, or Pharmacy.**

What kind of care are you looking for?

Select one...

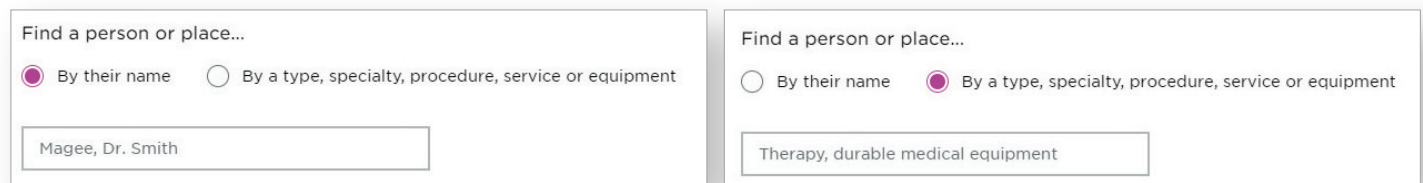

3. **Click the dropdown menu to select how you get your insurance. This step applies only if you are using the I'm Just Browsing tab.**

How do you get your health insurance?

Select coverage type...

4. **Choose to search by provider name or specialty.**

Find a person or place...

☒ By their name ☐ By a type, specialty, procedure, service or equipment

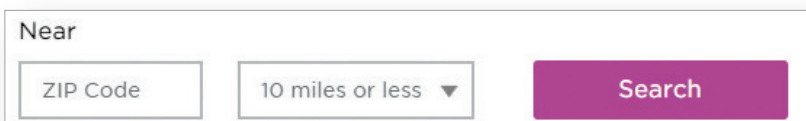

Magee, Dr. Smith

Find a person or place...

☐ By their name ☒ By a type, specialty, procedure, service or equipment

Therapy, durable medical equipment

5. **Enter a ZIP code and use the dropdown menu to select the mile radius. Click the search button.**

Near

ZIP Code 10 miles or less Search

Your search results will include a list of providers and an interactive map.
