Re: 2024 Miller Industries Scholarship Recipients
Date: July 24, 2024

Congratulations to our 2024 Miller Industries Scholarship Recipients!

Each year, Miller Industries selects eight students from the pool of applicants to receive \$7,500 that can be applied to further their education at an accredited two-year or four-year college or vocational technical school.

To be eligible, the applicant must be a child or grandchild of an employee with at least three years of continuous employment. Students are also evaluated on various criteria such as academic performance, extracurricular activities, and financial need. To ensure impartiality and fairness in the selection process, Miller Industries utilizes a third-party to review applications and make the selections.

The recipients selected for this year are (in alphabetical order):

- Kayli Everett – child of Brittany Everett (Ooltewah)
- Dane Foulks – grandchild of Rhonda Jennings (Greeneville)
- Nathan Haines – child of Walter Haines (Hermitage)
- Jeffrey Jarvis – child of Frankie Jarvis (SHC, Athens)
- Eli Patton – child of Phillip Patton (SHC, Athens)
- Belen Vargas Robledo – child of Jose Vargas (Ooltewah)
