

BOOK DRIVE

New in 2026- The Miller Industries “Drive Change” Initiative!

What is the Miller Industries “Drive Change” Initiative?

It’s a way to give back! Each quarter, we will focus on helping our community in various ways: It could be a blood drive, food drive, clothing drive, etc.

The 1st Quarter “Drive Change” Event will be a Book Drive to benefit The Little Free Library:

Accepting New and Gently Used Books (no torn pages, or writing)

Donation boxes will be in break rooms, & the front lobby until Feb.13th

Children’s Books are ALWAYS in high demand!

No religious, political, or inappropriate books accepted.

Give only if you can. All donations are very much appreciated.
