Re: Fender's Farm Picnic Cancelled
Date: October 4, 2024

Hello Team,

Unfortunately, the Annual Picnic at Fender's Farm on Saturday is cancelled.

Like many in the area, Fender's Farm also experienced damage and will not be able to accommodate our group this year. We will be looking for a suitable alternative in the coming weeks.

We apologize for any inconvenience that this causes. Most of the tickets reserved on Eventbrite were free, but if you did purchase additional tickets, please contact Tonya in HR to get a refund.

Thank you for everything that you do! We appreciate you.
