

Remembering Troy Barnette

1970 – 2025

It is with a heavy heart that we share the passing of Troy Barnette.

Troy was a valued part of the Miller Industries team in Greeneville for over 26 years. During that time, he worked at a variety of positions in the company, most recently as an Inventory Analyst.

On a more personal note, Troy grew up in Limestone, TN, where he lived his whole life. His family was a driving force in his life. He was a devoted husband, father to two daughters, and proud grandfather to 6 grandchildren.

According to those who knew him best, he was incredibly smart, witty, and uniquely comical. He brought light and joy to so many of his relationships, both personally and professionally.

Troy requested that no service be held but instead chose to be quietly placed alongside his wife, who passed in 2020.

Our thoughts and prayers go out to his family and friends during this very difficult time.
