

Miller Industries 2024 Annual Safety Training

Safety Training is Mandatory!

Annual Safety Training is mandatory for all PFH employees and some supporting hourly and salary employees. If you are on the list, you need to attend. **Location:** Upstairs Training Room. Training is scheduled on the employee's non-shift day and lasts approximately 4 hours. **You must attend on your scheduled date, or you will be pointed for attendance, just like missing a regular shift.**

Exceptions:

- **Employees hired or rehired after May 31, 2024, will not** have to complete safety training since they have already completed it as part of the onboarding process.
- **Employees on approved leave** will not be scheduled at this time but **will be worked in** to a training session, as they return to work.

If you need to be scheduled for a different date please reach out to HR by Nov 1st at Jfulks@millerind.com. The makeup day for White shift is Dec 5th 1-5pm and Blue Shift Dec 6th 8am - 12pm.
