

Greeneville: Water Handout Today at Plant 2

We will be handing out water to employees today at Plant 2 beginning at 4:30pm.

Each employee can take up to 4 cases of water.

Employees can drive their car through the plant to get the water loaded.

You will follow the orange cones thru the gravel lot. **Please do not block the roadway.**
You will then proceed through the plant as directed.

Please see the attached map for the entry and exit point.
