

Welcome to the team, Rachel Slikker!

Please join us in welcoming our new Human Resources Manager for the Ooltewah location, Rachel Slikker! She will be handling things like employee relations, talent acquisition, and many other human resources responsibilities.

Rachel comes to us with a wide variety of human resources experience, including the last five years in the manufacturing sector. In her free time, she loves spending time with her family, her two cats and riding her motorcycle.

We are excited to see the impact that Rachel will have on the Ooltewah team. Welcome aboard!
