CONVENTIONAL CARRIER

LONG CB

NOTE: MANUAL subject to change without notice.

CENTURY[®]
Miller Industries Towing Equipment Inc.

FORM NO. 05005153
REV. 08/2025

Section VI - PARTS

This Section is provided by the manufacturer for the purpose of ordering any component part of the **Series 30 Conventional Long CB Carrier** that may be required when part replacement is necessary. Be certain to use only original equipment replacement parts for warranty purposes as well as for keeping your **Series 30 Conventional Long CB Carrier** in its original state and optimum operating capacities.

When ordering replacement or spare parts be sure to provide the following information to your carrier manufacturer authorized representative.

1. **Manual Number & Date of Publication**
2. **Manual Page Number**
3. **Page Title**
4. **Reference Number of Part Desired**
5. **Part Number**
6. **Part Description**
7. **Quantity of Part Desired**

Providing this information will help ensure that the correct parts will be delivered to you in an expedient manner without delay. Should additional information be required for repair or replacement of certain components, contact **Miller Industries**.

The Manufacturer reserves the right, without notice or obligation, to improve or modify their products, which may change the specifications, models and feature availability.

NOTE:

To order a replacement subframe, provide the carrier serial number. Series 30 subframes are built to order to fit specific chassis cab-to-bogie, crossmember, and suspension geometry to avoid chassis modifications. Serial number look-up provides the subframe construction geometry regarding the hinge and cylinder box locations.
